Re: Form G – Approval Letter and IOD – Emperor Tamarin and Cotton-top Tamarin Alteration (Exhibit 2)

Dear Applicant,

I refer to your Form G application for approval to construct or alter at a fixed or off display establishment – Emperor Tamarin Alteration for Emperor Tamarin - *Saguinus imperator*, received on 6th day July 2023.

Your supporting details have been assessed, and the delegate of the Secretary of the Department of Regional New South Wales gives you conditional approval to construct the enclosure in accordance with your application (please refer to the attached Instrument of Decision). I draw your attention to the conditions of the approval.

Please notify the Department via the online [Notification of completed enclosure](#) link once the enclosure has been completed. Photos of completed enclosure must be included with this notification.

If you have any questions, please do not hesitate to contact the Biosecurity Licensing Team on 02 6552 3000.

Yours Sincerely,

Exhibited Animals Licensing Unit
Compliance Integrity and Systems
Biosecurity & Food Safety

Appendix 1

Instrument of Decision

Pursuant to the provisions of the *Exhibited Animals Protection Act 1986* ('the Act'), I, David Haslett, Team Leader, Compliance Systems & Accreditation Programs, Compliance Integrity and Systems with the delegated authority of the Secretary of the Department of Regional New South Wales hereby determine the following application.

Applicant:	Sydney Zoo Pty Ltd
Trading Name	Sydney Zoo
Authority Number:	51714
Application:	Application for approval for construction or alteration at a fixed or off display establishment.
Lodgement Date:	6 th day of July 2023
Description:	Approved animal enclosure and facilities at Table 1.

Table 1. Enclosures and Fixtures Approved for Construction

Equipment ID	Description	No of enclosures	Dimension	Species approved to hold
2799	Emperor Tamarin and Cotton-top Tamarin Alteration (Exhibit 2)	1	6.5m L x 4.3m W x 4.4mH - 5.1mH Mesh size change from 25 x 25mm to 12 x 12mm	Emperor Tamarin - <i>Saguinus imperator</i> Cotton-Top Tamarin - <i>Saguinus oedipus</i> Golden Lion Tamarin - <i>Leontopithecus rosalia</i>

Decision: APPROVED

Conditions:

1. The construction, maintenance and management of the specified animal enclosures and facilities as specified in Table 1 comply with the requirements prescribed under the *Exhibited Animals Protection Act 1986*, *Exhibited Animals Protection Regulation 2021* and relevant prescribed standards.

2. Final approval of the constructed animal enclosures and facilities as specified in Table1 are dependent on the approval of an acceptable inspection from an authorised inspector, including compliance with relevant legislative requirements.
3. Construction of the animal enclosures and facilities as specified in Table 1 must be completed within 12 months from the date of issue of this instrument.
4. **The Authority Holder must notify the Department via the online [Notification of completed enclosure](#) link once the enclosure has been completed. Photos of completed enclosure must be included with this notification.**

Note: If the enclosure is to house a prescribed species (*Exhibited Animals Protection Regulation 2021* - Schedule 2), you may need an inspection by an authorised inspector before final approval is issued.
