Dear Mr Burgess

I refer to the Noise Verification Report for the Sydney Zoo Glow Festival, submitted in accordance with condition C32C(a) of the Sydney Zoo development consent, as modified.

The Department has reviewed the Noise Verification Report and is satisfied the document satisfies the requirements of conditions C32C(a) and C32D of the consent.

As nominee of the Planning Secretary, I approve the Sydney Zoo Glow Event – Noise Verification Report dated 6 July 2022 prepared by RWDI Australia Pty Ltd, under Condition C32C(a).

Please ensure you make these documents and this approval letter publicly available on the project website as soon as possible.

In order to satisfy all the requirements of condition C32C, a subsequent noise verification report is required to be submitted to the satisfaction of the Planning Secretary within three months of the conclusion of the first twilight concert event held at the zoo, in accordance with condition C32C(b). Please submit this report via the Major Project Post Approval portal.
